Carolyn

Thank you for the heads up regarding the upcoming meeting. At this time, I am not scheduled to attend the meeting on August 3. However, I am very interested in seeing the IDEM press release if possible.

Meeting on August 7 works well with me and you are welcome regarding the ambient air sampling yesterday. Thank you to the EPA also for reviewing the work plan so quickly. We anticipate receiving results early next week and will forward them to you once received.

Sincerely,

Subject: FW: Franklin Meeting Aug 3

Hi Joe and Brad,

If you are considering attending the public meeting on August 3, I will get you as much information as I can about it. My managers will be there but I will not. I expect that you'd want to see IDEM's press release in any case so I will get that for you (see forwarded email, below).

Thank you for completing the air sampling yesterday, and for the extraordinary effort required to develop the sampling plan in such a short time period.

I am looking forward to our meeting next month. The date of August 7 seems to work for all of us. Please let me know if that is still good for you.

Carolyn

Carolyn,

Can you please reach out to your contact at Anthenol and let them know they are invited to attend the Aug 3 meeting. If you provide me with a contact I can make sure the press release is sent to them. We are not asking them to make a presentation.

Peg
